

REMARKS

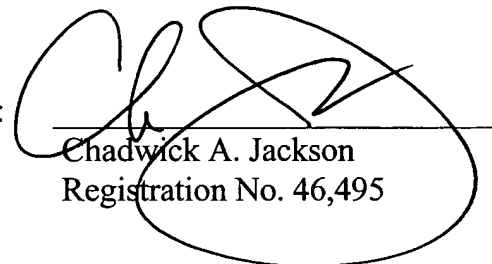

This communication is in response to the Office Action issued January 27, 2003. Claims 1-72 are pending in the application. Reconsideration and allowance is respectfully requested. A marked-up copy of amendments made to the claims are provided in Appendix A. If the Examiner has any questions about this Amendment and to facilitate prosecution, the Examiner is encouraged to call the undersigned attorney. The Commissioner is hereby authorized to charge any insufficient fees or credit any overpayment associated with this application to Deposit Account No. 19-5127 referencing 19046.0001.

Respectfully submitted,

Swidler Berlin Shereff Friedman, LLP

APPENDIX A

MARKED-UP VERSION OF AMENDMENTS MADE TO
CLAIMS

In the Claims:

Kindly, AMEND the claims as follows.

- 2) (AMENDED) A method for providing professional training information and compliance knowledge information to networked computers, the method comprising:
- [obtaining login data;
 - providing compliance knowledge for a business professional role;]
 - creating a profile specifically for a user;
 - determining personalized professional training information to provide the user based on [a] the created profile [associated with the login data]; and
 - providing the personalized professional training information directly to the user upon access;
 - wherein the profile defines [a] the user's unique training requirements for a [the] business professional role.

- 20) (AMENDED) A method of doing business for providing professional training information and compliance knowledge information to networked computers, the method of

doing business comprising:

[obtaining login data;

providing compliance knowledge for a business professional role;]

creating a profile specifically for a user;

determining personalized professional training information to provide the user based on [a] the created profile [associated with the login data]; and

providing the personalized professional training information directly to the user upon access;

wherein the profile defines [a] the user's unique training requirements for a [the] business professional role.

40) (AMENDED)A system for providing professional training information and compliance knowledge information, the system comprising:

a computer for providing creating a profile specifically for a user;

a network;

a server, coupled to the computer and the network, for:

[obtaining login data;

providing compliance knowledge for a business professional role;]

obtaining a profile created specifically for a user;

determining personalized professional training information to provide the user based on [a] the created profile [associated with the login data]; and

providing the personalized professional training information directly to the user

upon access;

wherein the profile defines [a] the user's unique training requirements for a [the]
business professional role.
